

EMILY's List ACT Christmas Party

EMILY'S
LIST
AUSTRALIA

CELEBRATE THE END OF AN AMAZING YEAR with your friends from EMILY's List ACT

2011 has been a momentous year for women in ACT Labor politics. With the election of Katy Gallagher as the second ALP woman to hold the position of Chief Minister in May, and key Federal ALP achievements like support for Equal Pay and the appointment of the first Australian Global Ambassador for Women and Girls, we certainly have a lot to celebrate!

The EMILY's List ACT Christmas Party is a chance for us all to catch up and reflect on these achievements whilst celebrating the festive season with friends and colleagues.

EMILY's List ACT is looking forward to another year of good women, good politics and good fun in 2012. Until then, come and celebrate the year that was over a drink (or two!) with your friends from EMILY's List!
